

EU projects networking event: have your say with FER-PLAY

15 April 2024, 15:30 to 17:30 (CET), European Committee of the Regions (Rue Belliard 99/101, 1040 Brussels; Room JDE 2253)

FREE EVENT

Description: The FER-PLAY coordinator, [CETENMA](#), invites EU projects working on circular fertilisers to a networking activity within the [NERM](#) conference. The main goal is to strengthen relations, share results and plan mutual actions.

Target audience: Coordinators or other relevant representatives of projects working on circular fertilisers related topics.

Takeaways: Networking, better knowledge of similar projects, business and mutual dissemination opportunities, avenues for maximizing the impact of your project...

Draft Agenda:

- Strengthen relations (over a coffee): Who is who? Who is doing what? 15:30-16:00
- Knowing FER-PLAY: main results shared and expected + Q&A. 16:00-16:15
- Business opportunities for successful circular fertilisers value chains: the HOOP view + Q&A. 16:15-16:30
- Avenues for mutual dissemination and/or exploitation. 16:30-16:50
- Maximising impact: conjoined future events and C&D activities. 16:50-17:10
- Closing words and suggestions (keynote speaker TBD): 17:10-17:30

Registration: It will be available on the [NERM website](#) as a **single event for free** (hybrid connection possible, but in person attendance encouraged) or as part of the whole conference.

This project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement N° 101060426.
