

ESPP General Assembly & stakeholder workshop

Fri. 27 November 2020: Nutrients in the EU's Farm-to-Fork policy

Register: <https://www.eventbrite.co.uk/e/nutrients-in-eu-farm-to-fork-policy-tickets-127743595533>

9h00 – 10h30 CET: Nutrients in EU Green Deal policies: from objectives to actions

Each speaker = 5 minutes presentation then 5 minutes questions and online discussion/chat. Questions will be via 'chat' for all registrants, with open dialogue between all participants in the chat. Oral discussion, based on these questions, will be with the speakers plus a small selection of invited experts / stakeholders from ESPP's international network ('panellists', see below):

- **Ludwig Hermann, ESPP President**, nutrients in EU Green Deal policies: raw materials, agriculture, health, circular economy, R&D
- **Andrea Vettori, European Commission, DG ENVI, Land Use & Management**, EU Integrated Nutrient Management Action Plan
- **Katja Kasinc, European Commission, DG RTD, Circular Economy & Bio-Based Systems**, support for nutrient stewardship and recycling in Horizon Europe
- **Fien Amery, ILVO Flanders**, a scientist's view of policy needs on nutrients in agriculture
- **Wim de Vries, Wageningen UR and EAT-Lancet report**, is Farm-to-Fork sufficient to keep nutrients within EU boundaries?

Industry and stakeholder positions:

- **Fertilisers Europe, Tiffanie Stephani**, the mineral fertiliser industry's response to the challenge of nutrient sustainability
- **Organic fertiliser industry, Benoît Planques, Italtollina**, how organic fertilisers and biostimulants contribute to agronomic nutrient stewardship
- **Frédéric Martens, Prayon**, President of **PAPA (EU Phosphoric Acid and Phosphates industry Association)**, added-value and sustainability of phosphate food additives
- **Sarah Gillman, Scottish Water, for EUREAU** (European Federation of National Associations of Water Services), nutrients in EU water policy, ambition and implementation

Panellists:

- **Adrian Leip, European Commission JRC**
- **Liisa Pietola, MTK** (Finland The Central Union of Agricultural Producers and Forest Owners)
- **Fabrice DeClerck, EAT** Science Director, co-author of the EAT-Lancet Commission
- **Jessica Stubenrauch, University of Rostock**, Faculty of Agricultural and Environmental Sciences
- **Penelope Vincent-Sweet, European Environment Bureau**
- **Harm Smit, Netherlands Government**, Ministry of Agriculture
- **Erik Sindhøj, RiSE Sweden** and Interreg **Sumanu** Platform
- **Mark Sutton, International Nitrogen Management System** and CEH Edinburgh

11h30 – 12h30 CET:

preparation of input to the Integrated Nutrient Management Action Plan

Online discussion to finalise draft document (see here <http://www.phosphorusplatform.eu/regulatory>) to be submitted to the European Commission.

Any comments on this document are also welcome before the webinar, to info@phosphorusplatform.eu

The online discussion will be organised around the proposed chapters of this document: Integration and implementation, Data, research, demonstration, Links to climate policies, Nutrient recycling, organic carbon, contaminants, Agriculture and food, Regulatory, fiscal and market tools, Other aspects.

14h – 15h30 CET: ESPP formal General Assembly

ESPP members only. Summary of 2020 actions and dossiers underway. 2019 accounts and updated 2020 budget.

Discussion of adaptation of networking and communication activities to the Covid situation.

2021 action priorities and budget. Membership fees. Election of Board. Mandates to accountants etc.
